

#213 1

Circus Solo

Solo is the simple and honest starting point of the Circus family. In its simplicity, Solo creates a quiet space for rest, reflection, and pause – right in the middle of urban life. A rounded, monolithic element that can stand alone or be part of larger configurations. CIRCUS is designed with a circular mindset and produced using recyclable materials – always with the possibility to integrate greenery into the design.

#213 1

Circus Solo

Technical data

01 SOLO

Solo Configuration

2 base l + 1 top seat

Material

HPL Top: 10mm compact laminate with 42 layers. Dyed, highly UV resistant and available in 4 colors. The durability, solid mechanical quality and weather resistance makes it perfect for tough urban use.

Base: Rotation molded Polyethylene (PE), 6-7mm thick, mass colored. Molded in one piece. UV-resistant, stands up to weather, wear and tear. The material is suitable for granulation and recycling.

Sustainability

EcoMix: Lifespan 30 years. 100% recyclable up to 7 times.

93% recycled PE in Anthracite.

67% recycled PE in Green, of which recycled fishing nets make up 33%.

33% recycled PE in Red, Granite & Sand, of which consumer waste make up 33%.

HPL: Lifespan up to 50 years.

100% recycled locally sourced paper. FSC and PEFC certified.

Can be used as source of heating after lifespan without any hazardous waste.

General: Modular system adapts to change.

Easy to replace spare parts.

Dimensions

Ø900 x H440mm.

Seats up to 4 People.

Montage

All configurations are to be fully assembled on site. See assembly guide for step-by-step instruction.

Variety

Customized tops on request.

Accessories

Feet suggested for assembly on uneven terrain.

Wheels for easy mobility.

Family

Duo, Trio, Quadro & Forma.

Maintenance

Maintenance-free and easy to clean. Withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. Graffiti removes easily.

Design protection

Registered at EUIPO, EF design number 015036655-0001

#213 9000 Wood seat top

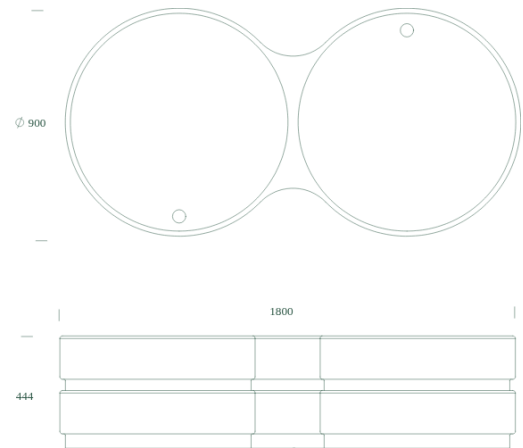

Wood seat top

FSC certified Mahogany. Durable and made for tough urban use. Treated finish.

#213 2

Circus Duo

CIRCUS Duo challenges the traditional bench – often stretched out in a long, straight line. Instead, Duo introduces a soft, organic form where two seats are connected in a dynamic structure, inviting new ways of meeting and staying in public spaces.

#213 2

Circus Duo

Technical data

#213 3

Circus Trio

CIRCUS Trio brings new life and movement into urban spaces through three circular modules at different heights. The sculptural form breaks away from the flat and linear – creating a playful, flexible structure that serves as seating, a green island, or a social meeting point.

#213 3

Circus Trio

Technical data

Trio Configuration

1 x base I / 1 x base II / 1 x base III / 2 x top seats / 1 x planter

#213 4

Circus Quadro

Circus Quadro provides space for multiple users at once and invites both social interaction and small, individual moments of pause. Its open, varied structure breaks away from the classic bench format, bringing greater flexibility, variation, and visual lightness to the urban space.
