DETAIL

Articulated Feet

"Medium" & "Short" versions incorporate adjustable feet.

"Tall" version does not incorporate feet.

- Conical planter, available in three different sizes.
 - Tall: 1000 mm height – 420 mm diameter (100L).
 - Medium: 500 mm height – 590 mm diameter (90L).
 - Short: 300 mm height – 680 mm diameter (80L).
- Incorporates drainage holes in the base.
- Can be anchored to the ground using 4 M8 expansion screws (included).
- “Medium” & “Short” versions incorporate adjustable articulated feet. ‘Tall’ version does not incorporate feet.
- The “Tall” version includes a base that is supplied unassembled to optimize transport. The base must be assembled onto the planter once it is to be installed.
- Made of 1.5 and 3 mm galvanized steel and finished with a thermo-heating polyester powder coated finish with a zinc-rich anti-corrosion primer in decorative frame.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
- Suitable to be used indoor and outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
