

FACTS

LOOP ARC # 137

Loop Arc is an innovative piece of furniture for sitting and socializing. Clean simplicity. Options unfold in combination with several Loop Arcs or other members of the loop family: twisting through trees, squares and playgrounds or forming variously shaped sandpits.

Design: AART Designers

TECHNICAL DATA

Material

Rotation moulded polyethylene, 6-7 mm thick, dyed. Moulded in one piece. UV-resistant, stands up to weather, wear and tear. The material is suitable for granulation and recycling.

Surfaces and friction

The products have a textured/granulated surface due to abrasive blasting of the mold. This process enhances the friction and makes the surface less slippery.

Authentication

TÜV approved as playground equipment acc. EN1176.

Dimensions

One module: R1350mm, H400mm, Width (cross section): 400mm.

Volume: 300 litres. 3 x modules (circle): outside diameter: Ø2700 / inside diameter Ø1900mm. 8-10 seats inside / 12-14 seats outside. In the centre playground for 4-5 children.

Combinations

Form Loop Arc like an "O" (circle, 3 modules), like a "C" (2 modules), or like a "S" (2 or more modules). Also combine Loop Arc with Loop.

Assembling & fixation

The modules are joined with brackets (B4) at either end. Fill them 3/4 with water (225 liter) / sand (225 kg) or fasten them to the ground. Brackets to be ordered separately.

Recycled and ecolabelled*

Recycled version is made from 100% recycled polyethylene plastic, of which 85% comes from internal waste and production surplus, while 15% comes from polyethylene bags.

Recycled version is ecolabelled, promoting circular economy and fulfils UN's sustainable development goal no.12 – Responsible consumption and production.

Recycled version is available in anthracite variant, yet colour can vary from order to order.

Maintenance

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The colour can be revived using vinyl cleaner or similar.

Family

Loop, Loop Light, Loop Line

Standard colours (approx. RAL)

Red: RAL 3020

Limegreen: RAL 120 70 60

Orange: RAL 2003
