11 CHAIR

Axel Bjurström

With 11th as its name, this contemporary chair is a countdown of style. There are ten oiled oak slats in the backrest and seat, and potential to stack the chair. Four zinc plated steel legs support two supple bands of steel that enable the seat and backrest to flex. One unique indoor/outdoor design, that makes a stunning addition to any interior or garden.

Dimensions	Weight: 12 Kg Height of seat: 436 mm Height: 757 mm Depth: 466 mm Width: 494 mm
