## EKEBERG BICYCLE STAND

Christian Sæther & Runa Klock

Ekberg brings order to bicycle parking in a design that enables individual bicycles to be parked in place and held upright. Ekberg's frame creates a slot to hold the bicycle's front wheel securely, while also providing an upright post where the bicycle frame can be securely locked. An excellent choice for contemporary settings, Ekeberg's design enables bicycles to stand neatly in place.

<b>Dimensions</b>	Overall height: 70 cm <sup>11</sup> Total length: 64 cm <sup>11</sup> Width: 13 cm Weight: 9 kg
<b>Product number</b>	Ö04-25
<b>Assembly</b>	Fully assembled
