## FOUR SEASONS

Thomas Bernstrand

The Four Seasons parasol is a sturdy year-round design that deflects the heat of the sun and provides shelter from the rain. Made from pieces of sheet steel centred around a steel post, the parasol bolts securely to the ground to withstand gusts of wind. Designed with a striking profile that tilts away from the base, the parasol adds a contemporary element to gardens and courtyards, or any environment where shelter and shade are needed.

<b>Dimensions</b>	Circumference: 239 cm / 208 cm Height: 255 cm Weight: 100 kg Diameter of support post: 60 cm
<b>Product number</b>	U10-00 Four Seasons parasoll. B11-06 Tilläggskostnad byte av färg. Nedgjutningsstos: U10-00 STOS
<b>Assembly</b>	Delivered in parts for assembly on site.
<b>Variants</b>	The parasol is available in standard colour yellow RAL 1023. Other colours are available for an additional fee.
<b>Materials</b>	The parasol is made in 1.5 mm aluminium sheet steel. The post and top-cap are made in 5 mm steel sheet and the base is made in 10 mm sheet steel. The protective flaps fitted along the parasol's edge are made in silicone. All steel parts are zinc-electroplated, chromed and powder-coated.
<b>Additional description number</b>
