HINKEN 40 LITTERBIN

Thomas Bernstrand

A litterbin with an open lid that keeps waste out of sight. Hinken 40 is fitted with a base pedestal, which makes an attractive complement to the large-size Hinken litterbin and planter. Hinken 40 is modern, sleek and available in different colours.

Dimensions	Diameter of top rim: 41.5 cm Diameter of opening/round hole: 10,5 cm Height: 46 cm Total height: 76 cm Volume: 40 l
Product number	Ö30-85 Papperskorg Hinken 40. U19-38 Startkostnad valfri färg.
Assembly	Some assembly required. The lid attaches to the bin and the bin attaches to the pedestal base with the screws provided.
Variants	Freestanding or attachable. The attachable version bolts to the surface with three M10 bolts. The bolts are not included. The litterbin can be lacquered in a choice of RAL colours for an additional fee.
Materials	The litterbin is made from reinforced fibreglass plastic in standard colours white RAL 9010 or anthracite RAL 7016. The lid and pedestal base are made from electroplated, gold-chromed powder-coated steel.
Additional description number	M = Ground-mounted N = Attachable

F = Freestanding
V = White RAL 9010
A = Anthracite RAL 7017

For non-standard colours, add a number from the RAL chart.

Placement	The supporting post is extended by 40 cm for casting directly into concrete. The base may also be bolted to the ground with three M10 bolts.
------------------	--

Maintenance	Scratches can be repainted with alkyd oil enamel.
--------------------	---

Character	A sleek litterbin free of any embellishment or decorative details. The litterbin is attractive and discreet, and a popular choice for design-conscious environments.
