PARCO FURNITURE GROUP

Broberg & Ridderstråle

The furniture group consists of stylish and generous furniture of high quality that gives a light impression. The curved shape makes them both comfortable and functional. The series is available in a variety of models and variants that can be mixed and matched to create customized seating arrangements. A swivel function and armrests are available, as an accessory for the seating furniture. Each piece is made to be mounted directly to the ground to provide permanent fixtures in the landscape, public spaces or private courtyards.

Dimensions

See individual dimensions for each part of the furniture group.
