

QUICK ASSEMBLY GUIDE
QUINTUS SET

Quintus Set for Gianto

A street furniture set consisting of five connected steel seats with a rounded form. The set can be diversified by adding up to five Gianto pots. Powder coating guarantees the unchanged appearance of the bench for many years, regardless of weather conditions.

Elements Of The Set

Element 3

to be assembled

Element 1

complex

Element 2

complex

Step 1

Attach the central bracket to the seat and put on the screws.

Step 2

Apply the nuts and tighten the bolts, mounting the central bracket under the central seat.

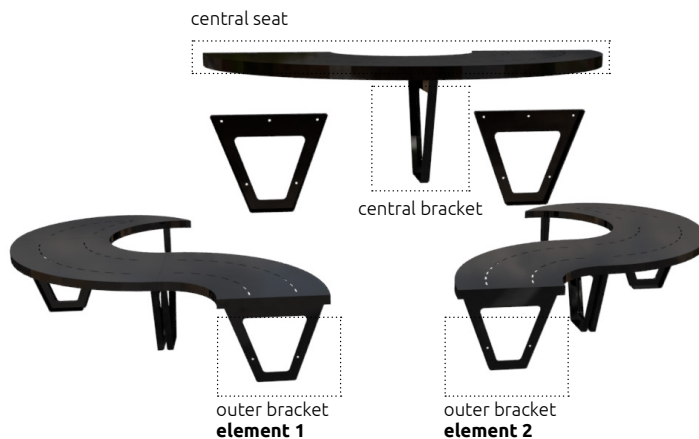

Step 3

Remove the securing elements and unscrew the nuts from item 1 and item 2

Stage 1

Mounting the center brackets

Step 4

Align the center seat with the fastening screws of the appropriate element 1 or 2

Step 5

Place the outer brackets of the center seat against the outer brackets of the appropriate element 1 or 2. Pass the fastening screws through the mounting holes. This step is to connect the Quintus bench into a stable whole.

Step 6

Tighten the caps on the fastening screw. Do not use too much force so as not to damage the fastening screw.

Stage 2

Mounting the outer brackets

outer bracket
element 3

Step 7

Check all screws for tightness.

Step 8

Put the protective caps on the screws.

Stage 3

Completion of assembly
