SATURNUS PANDORA PLANTER SEATING FURNITURE

Nina Jobs

Saturn is an bowl-shaped seating furniture in fiberglass, with a diameter up to 150 cm. Provides an easy floating impression. Can be ordered with a lid made of wood, fiberglass, plywood or plywood with leather interior with fabric. Only for indoor use. Saturn Mini is a smaller version with a diameter of 100 cm, also available with swivel function. Pandora can be used as a freestanding planter, or slotted into the centre of the base of Saturn where it is surrounded by an attachable surface that forms a seat-height bench. Both Saturn and Pandora can be used for planting – covered they can be used as seating.

Variants

A range of configurations are possible. The planter slots into the centre of the base, where it is surrounded by an attachable surface that forms a seat-height bench. Removed altogether, the planter can also be used as a freestanding planter. The base may be used as a planter in itself, or fitted with a seat that transforms it into a sleek backless bench. Armrests are also available.

Materials

The planter is made in fibreglass with seats available in fan er, oiled or lacquered oak.

Standard colors White RAL 9010 eller antracit RAL 7016.

Any color upon request in RAL.

Lid to Saturnus and pandora in fibreglas, in fan er, oiled or lacquered oak, plywood, lether, plywood or textile.

Character

This fibreglass planter is encircled by a round bench, creating a seat and backrest with attractive plants in the centre.
